Dear Sir,

SUB: PRESS RELEASE

DCI was awarded the prestigious AMVER award by the Honourable Consulate General of the USA. The Award was received by Shri. Rajesh Tripathi, Chairman and Managing Director of DCIL from Consul General Katherine B. Hadda. Shri. S.Charles, Director (Finance) and Shri. M.S.Rao, Director (Ops & Tech) were also present during the Award Ceremony.

The Award is given to those companies whose ships have actively participated in the AMVER (Automated Mutual-Assistance Vessel Rescue System), a worldwide voluntary reporting system sponsored by the United States Coast Guard. It is a computer-based global ship reporting system used worldwide by search and rescue authorities to arrange for assistance to persons in distress at sea. With AMVER, rescue coordinators can identify participating ships in the area of distress and divert the best-suited ship or ships to respond. Participating in AMVER does not put ships under any additional obligation to assist in search and rescue efforts, beyond that which is required under international law. The Dredgers owned by the Dredging Corporation of India Ltd actively participate in the AMVER System and help in the Search and Rescue of Vessels in Distress.

Thanking you,

Yours faithfully,

For Dredging Corporation of India Limited

(K.Aswini Sreekanth)
Company Secretary
