EMPHASIS OF MATTERS:

#### QUOTE

*We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.*

- a) *Trade Receivables includes ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd.(SCL) which is pending for more than 4 years. Out of the above, Company has provided for doubtful debts to the extent of ₹3019.27 lakhs. The company is of the view that this will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.*
- b) *The balances of sundry debtors, creditors, loans and advances, other receivables and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.*

#### UNQUOTE

#### Management reply to emphasis of matter:

The above emphasis of matters at Sl. (a) include the views of the management on the same.

With regard to balance of sundry debtors etc., at Sl.No. (b) above it is stated that confirmation for some of the amounts, particularly with regard to sundry debtors due from various ports etc., for the works executed by DCI and/or bills raised for the same, are to be received.

**VENDOR DEVELOPMENT**

This is a continuous process and DCI procures spares and stores on a regular basis from suppliers spread all over the world. DCI is updating the supplier-base continually. DCI has adopted e-procurement process, as per Govt. of India guidelines, emphasis was given to facilitate and enable the vendors by way of training support and hand holding support to participate in the e-procurement processes of the company. DCI has organized a State Level Vendor Development programme in association with local Micro, Small and & Medium Enterprises (MSME) Office (Visakhapatnam Branch) and has been continuously participating and interacting with the prospective vendors in most of the vendor development program cum Buyers- Sellers meet conducted by Ministry of MSME/ National Small Industries Corporation (NSIC). The Company has invited MSME vendors to visit DCI's vessels for identification of spares for indigenization. Tenders are published in DCI official website and Central Public Procurement Portal for wider publicity so that MSMEs can participate. In view that out of the total annual procurement, a major portion is fuel, which cannot be procured from MSME Vendors and further that since most of dredgers of DCI have been built at Netherlands and therefore most of the spare need to be imported from OEMs abroad, the Company has represented for relaxation for implementation of the Public Procurement Policy mandatory provision of 20% procurement from MSMEs.

**R & D ACTIVITIES**

DCI Dredge Aquarius was fitted with an indigenously developed Programmable Logic Controller (PLC) in place of existing PLC system which was imported and giving frequent problems because of non-availability of spare parts/ services of the Original Equipment Manufacturer abroad. The newly installed PLC has been found to be cost effective and working satisfactorily.

**CERTIFICATE ON CORPORATE GOVERNANCE**

The Members,

**Dredging Corporation of India Limited.**

We have examined the compliance of conditions of Corporate Governance by **Dredging Corporation of India Limited** (hereinafter called as "the Company" or "DCIL") for the year ended 31<sup>st</sup> March, 2018, as prescribed in Regulations 17 to 27, 46 (2) (b) to (i) and Para C, D and E of Schedule V of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter called as "SEBI (LODR) Regulations, 2015") and Guidelines on Corporate Governance for Central Public Sector Enterprises issued by Department of Public Enterprises (DPE), Government of India.

The compliance of conditions of Corporate Governance is the responsibility of the management of the Company. Our examination has been limited to review of procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance as stipulated in the said clause and guidelines. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27, 46 (2) (b) to (i) and Para C, D and E of Schedule V of Chapter IV of SEBI (LODR) Regulations, 2015 and DPE Guidelines on Corporate Governance except:

1. *Compliance of Regulation 17 (1) of Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Clause 3.1.4 of the DPE Guidelines on Corporate Governance for Central Public Sector Enterprises w.r.t. composition of the Board of Directors of the Company.*
2. *Compliance of Regulation 17 (10) & 25 (4) of Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015, w.r.t. Performance evaluation of the Directors.*

The Company has explained that the appointment of Functional Directors, Part Time Official Directors (Govt. Directors) as well as Part Time Non-Official Directors (Independent Directors) on the Board of DCIL is made by Government of India (GOI) through Ministry of Shipping, being administrative ministry of DCIL. Therefore, terms & conditions of appointment as well as tenure of all Directors are also decided by GOI and there is a well laid down procedure for evaluation of Directors by the Administrative Ministry.

As per the explanations/ representations received from the Company, Company is in the process of getting Board approval of policies as required under Regulation 19(4) of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations.

We further state that such compliance certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2017-18**

### **GLOBAL DREDGING MARKET**

1. Despite the limited growth in the world's economy, increasing pace of urbanization is one of the key factors that is leading to increasing dredging activities around the globe.
2. Large European dredging companies have traditionally dominated the international dredging market. Europe has been the traditional hub of the international dredging market with activities concentrated in the Netherlands, Belgium and the United Kingdom with the five leading Dutch and Belgian companies highlighted in the table below controlling a substantial portion of the international dredging market.
3. The major European companies account for a large proportion of the total international dredging fleet. Responding to demands from customers, continuous efforts are being made to increase the size of dredgers, improve technology and reduce costs. Jumbo trailer suction hopper dredgers with hopper capacities as large as 46,000 cubic meters are being deployed.
4. Many new markets have begun to open in recent years as dredging projects have become more complex and as international dredging companies develop new dredging techniques and more efficient dredgers to reduce unit costs well below that of most local contractors. In addition, dredging contracts increasingly include more demanding environmental clauses that must be satisfied during the performance of the work. Those contractors able to meet stringent environmental requirements are therefore better placed to win contracts.
5. In addition to the leading international dredging companies listed above, countries including China, Japan, Korea, the United Kingdom and the Ukraine also have large dredging companies mostly focused on their respective domestic markets. In addition, new players, especially from Asia, are entering the dredging market, although they are smaller in size.
6. Increasing emphasis on globalization and the need to synergize existing fleet strengths and competition may lead to consolidation in the international dredging industry.
7. Internationally, the dredging industry is experiencing changing regional patterns. Demand in Europe, which was formally concentrated in specific countries such as the Netherlands, Belgium and the United Kingdom, has spread throughout Europe in recent years. However, overall growth for Europe has been only marginal. Singapore, Hong Kong and the Middle East have witnessed higher levels of growth in dredging operations, which is expected to continue in the coming years.

### **INDIAN DREDGING MARKET**

8. Indian dredging industry is driven largely by the dredging demand coming from its major and non-major ports. With recent developments to boost domestic manufacturing and Government's focus to improve Indian maritime sector, dredging industry is expected to be a direct beneficiary. Indian ports are preparing themselves to handle more cargo by accommodating bigger vessels and aspire to meet international standards in port infrastructure in a bid to achieve economies of scale. As a result, ports are moving towards improving the basic infrastructure like deepening of channels, mechanization and creation of more berths which will create demand for dredging industry. Further, creation of new greenfield ports would also drive the demand for dredging in the domestic market.
9. As per Ministry of Shipping (MoS), over the next few years, most of the major ports would improve their capacity to accommodate bigger ships. Given these prospects, coupled with new developments coming in from Navy, national waterways and off shore exploration, scope of Indian dredging industry seems vast.
10. As per Industry estimates, the Indian annual dredging market, in FY 2017, was estimated as circa 180 million cubic meter ("MCM") with maintenance dredging constituting around 65% of Indian dredging market. Capital dredging segment in India has been impacted by a number of factors such as delay in land acquisition and receiving necessary environment and project clearances. Since major ports had been created at natural harbors (Kandla) or at the mouth of rivers (Haldia) or at Cochin, the siltation pattern is very high at these ports leading to a very high maintenance dredging demand at major ports. While non-major ports have been largely created with artificial harbors and break water, reducing the demand for annual maintenance dredging.

### **GUIDELINES ON UNDERTAKING DREDGING AT MAJOR PORTS ISSUED BY MINISTRY OF SHIPPING**

11. As per the Guidelines on undertaking dredging at major ports issued by Ministry of Shipping, all major ports shall invite open competitive bids for capital/maintenance dredging works.
12. The present slump in the global dredging market and consequent entry of global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCI to quote competitively. This has put the financials of the Company under severe strain because of increasing cost due to frequent repairs and lay-up of the ageing dredgers.

### **Growth Drivers**

13. New capacity creation by Indian ports, including channel deepening, is the single largest factor determining growth of Indian dredging market. Although, dredging demand would also come from other players such as Navy and shipyards, but the demand is miniscule as compared to ports.
14. Shallow water dredging demand due to development of national waterways is considered separately as the asset requirements, technology and players are completely different from maintenance and capital dredging market.
15. The following are expected to be the key drivers of dredging industry in India in future:
16. Economic growth : - India is expected to be one of the fastest growing major economies in the world over the next four years, with real GDP expected to grow at a CAGR of 7.4% between 2018 and 2022, according to Economic Intelligence Unit.
17. Sagarmala Plan : - The Government of India has envisioned the Sagarmala Program, which aims to exploit India's 7,500 km coastline and 14,500 km of potentially navigable waterways. It promotes port-led development in the country by harnessing strategic locations on key international maritime trade routes. A National Perspective Plan has been developed under this program, paving the way for 150 projects with investments of ~INR 4,00,000 Crore in the next 10 years. These projects have been identified across areas of port modernization and new port development, port connectivity enhancement, port-led industrial development and coastal community development.
18. Approximately 50 projects have been identified under the port modernization and new port development activity, which would increase the port capacity from 1,400 MMTPA to 2,500 MMTPA by 2025. Majority of the activity would be related to capital dredging. Approximately INR 1,00,000 Crore has been allocated to increase the capacity at existing ports with the development of five to six new ports also including a trans-shipment hub.
19. The new development would also focus on improvement of the port and hinterland connectivity to provide seamless transportation from production to consumption centers. This includes construction of 10,000 km of last mile port-connectivity infrastructure, 12 new freight expressways and heavy haul rail corridor to transport coal. New pipelines for transporting crude and petroleum

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT...**

products and development of multimodal logistics hubs have also been considered. With 65 proposed projects, ~INR 2, 00,000Crore of investment is expected.

20. Additional infrastructure would include development of coastal economic zones ("CEZs") covering all maritime states and union territories. The CEZs would be segregated on the basis of manufacturing clusters and basic input industries. The manufacturing cluster would include labor intensive sectors of electronics, apparel, leather products, furniture and food-processing. However, basic input industries would include clusters for power, refineries and petrochemicals, steel and downstream industries and cement. Setting up infrastructure for these clusters will require an investment of INR 1,00,000 Cr. and is expected to attract an additional INR7,00,000 Cr. of industrial investment.
21. Deeper draft at ports at least 18 meter : - The Government has plans to create a minimum depth of 18 metre at all 12 ports it owns, where depths currently range from 9-12 metre. The current upgrade would still be lower than the global average, which is around 23 metre, enabling berthing of latest built up ultra-size container, tanker and dry bulk vessels.
22. Increase in Exim trade and throughput capacity at ports : - Demand forecasts for dredging are encouraging given the foreign trade policy targets for 2015-20. Merchandise trade is set to leap following the encouragement provided to small and medium scale enterprises (SMEs).Initial estimates for exports of manufactured goods and services from India are quite encouraging. Indian ports are now waking up to the reality as they rush to attract more cargo and attempt to increase revenues. Accommodating bigger ships and achieving economies of scale would form the backbone to optimize the asset.
23. Other emerging trends : - Apart from ordinary ports, construction of various greenfield ports in India has also increased the necessity for dredging in India. Dredging is also important for local shipbuilding, which enables the same to act as an infrastructure empowerment program in the maritime sector. Hence, numerous tax concessions by granting infrastructure status to navigational channels under Section 80-IA of Income Tax Act would benefit ports.
24. Subsequently, a number of channel/port deepening projects are currently being undertaken by various ports. In India, many ports are incapable of berthing fully-laden large vessels. Large vessels can be berthed only by dredging, which offers significant potential for higher dredging activity in the Indian market.
25. It is projected that in the next five years, 12 major ports are proposed to increase their capacity, which would entail INR 20,000 Crore worth of new dredging contracts. Furthermore, setting up additional berth at majority of private ports, coupled with announcement of new major ports have pegged the size of the dredging market by volume at over 1 billion cubic metres in the next five years.
26. Given the prospects of development and maintenance of existing major ports, building new ports, onshore resources exploration, demand from navy and, more interestingly, projects envisaged for national waterways, the scope for dredging is potentially vast.
27. Sand Mining : Due to various issues cropped up with sand mining activities, it is proposed that DCI will venture into the area for proper extraction of sand for development purpose abiding by the environmental protection laws.

**PERFORMANCE**

28. The capacity utilisation in number of days and quantity as against the targets during the year is as under:-

	Target	Actual	% Utilisation
No.of Days	2771	2459	88.74
Quantity (Mln. Cu.M)	60	47	77.79

**FINANCIAL PERFORMANCE**

Total Comprehensive income (Profit after Tax) (₹Lakhs)	1664	712
Earnings Per Share (₹)	5.94	2.54

**KEY STRENGTHS OF DCIL**

29. Premier and the only PSU dredging company in India : - DCIL is a premier and the only PSU dredging company in India. The Company is also the preferred dredging company for Major Ports and the Indian Navy. The Company has been in this business since 1976 and has been catering to the dredging requirements of the major ports/ Indian Navy since then. Owing to the long association with the Major Ports, the Company is the most preferred company for dredging requirements of most of the Major Ports and the Indian Navy.
30. One of the largest hopper capacity in the Indian market : - DCIL has one of the largest hopper capacity in the Indian market which provides flexibility to handle projects involving larger dredging volumes as well as higher number of projects- compared to any of the competitors in the Indian maintenance dredging market.
31. To maintain the value and effectiveness of the fleet, the Company emphasizes preventive maintenance so as to reduce the downtime, increase profitability, enhance the vessel life. With the addition of the Inland cutter suction dredger, the Company has re-entered into the inland dredging sector and is expecting to be a major player in the same.
32. The dredgers (Dredge – XIX, XX and XXI) are the premium assets of DCIL. They are equipped with the best technology among the fleet of Indian companies. The dredgers have shore pumping facilities which enables them to carry out the high premium jobs like aggregate dredging, beach nourishment and reclamation works.
33. Strong relationships with Customers: - The Company has been catering to the dredging requirements of the Major Ports and the Indian Navy right from its inception in 1976 and has a better understanding of the dredging requirements of the Indian Ports. The Company is the leader in maintenance dredging in India through its combination of usage of advanced equipment and experience.
34. Forty years of dredging experience: - DCIL has more than 40 years of dredging experience at the Major ports in India, which gives DCI the experience of dredging at locations with varying soil characteristics. Although the pre-qualification criteria in the dredging tenders needs the recent dredging operation history (5-7 years), 40 years' experience provides credibility to DCIL for bidding in the projects outside the country.
35. The Company's senior managers have vast experience in the dredging and maritime industries. The Company believes that this experience provides the Company with a significant advantage over its competitors. The Company's floating personnel who manage the dredgers and the management team who give the support services are well trained professionals having vast experience in the dredging and maritime industries.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT....

### OUR WEAKNESS/ CONSTRAINTS AND STEPS TAKEN TO OVERCOME THE SAME

36. The dredging fleet of DCI has an average age of about 22 years. Some of the equipment of the old vessels have already crossed their useful life. These equipment need extensive refurbishment which has resulted in the loss of production due to lower performance of vessels and increased breakdown days. Also, some of the dredging contracts limit the age of equipment to be deployed in the project as their pre-qualification criteria. To this extent, the Company has already taken steps to scrap some of assets which have outlived their useful life and found not to be profitable after a techno economic viability study. Accordingly Dr.VII and Dr XIX have been decommissioned and sold as scrap during the year. In order to overcome the reduction in capacity, DCI has initiated action procurement of 12000 Cu.M Hopper Capacity Dredger.
37. High lead time for the procurement of the spares and stores is resulting in delays in repairs and dry docks. This is primarily due to the aged dredgers and as stated the company has taken steps to scrap some of the dredgers which are not economically viable and outlived their life. Further ERP is being implemented for better management of inventory.
38. Retirement and non-availability of skilled manpower in the areas of project management and limited availability of ship repair facility is leading to the delays in project execution as well as dry-docking of the vessels. The project management process needs to be fine tuned to make the execution of projects more efficient and time bound. Preventive maintenance dry-dock planning also needs to be fine tuned to cut down both cost and time overruns. In this direction, the Company has outsourced the manpower requirement and technical maintenance of two vessels. Further action will be taken in similar lines after cost benefit analysis of the same. DCI exploring the possibility of establishment of Dredge Training Institute & Repair facility.
39. High attrition leading to increased contractual manpower: The dredging industry has a shortage of skilled manpower which makes the retention of employee very difficult for DCI a PSU. It is easier for people to get expertise in the industry and leave the company for lucrative offers from its competitors. In the past DCI has lost a lot of its experts to private and the international counterparts in the Indian market. To this end, the company has in place a robust career progression policy for shore based employees. The remuneration package for floating employee is at par with the industry standards in India. The company is trying its best to keep the attrition levels at manageable levels.

### OPPORTUNITIES

40. Since its inception DCI has been involved mainly in the maintenance dredging works at the major ports. Although it has executed capital dredging projects in the past, the expertise is not developed to the levels of the international players. As the growth opportunity in the Indian maintenance dredging market for a single player is limited up to INR 1,000 crore DCI needs to diversify to other segments and businesses related to the dredging industry. The diversification opportunities can be classified into following categories:

#### Diversification in core business:

41. The core business diversification opportunities include the dredging services in segments other than maintenance and capital dredging as well as the geographical diversification. The other segments in dredging would include aggregate dredging, oil & gas dredging, shallow water dredging, offshore mining and land reclamation activities.

#### Diversification to new businesses:

42. Diversification to new businesses include the forward and backward integration opportunities for DCI which can bring high synergy among the businesses. Forward integration would include the diversifying to the businesses which use dredging services like ports, marine construction and offshore installation activities. Backward integration includes the opportunities like ship building, ship repair, bunker barge and spare parts manufacturing.

### OUR STRATEGIES

43. We intend to increase income from operations and strengthen our domestic and international competitive position by expanding our operations in both our traditional and new dredging services and adopting a pro-active marketing strategy for our domestic and foreign operations. We aim to achieve our mission by pursuing the following business strategies:  
Enhancement of market share in maintenance dredging and more participation in capital dredging in India.
44. Making forays in foreign dredging market: Apart from consolidation in the Indian dredging market, we have plans to make forays in the foreign dredging market. The initiatives taken for setting our foot once again in foreign waters is likely to materialise in this financial year. DCI has already executing the dredging contract for Mongla Port, Bangladesh. Further, the Company has also signed a contract with National Highways Authority of India (NHAI) under DCI would bring the sand from abroad either on its own or through consortium partners and NHAI would facilitate the sale of the same for Mega road projects and bridges, and other construction projects across India which are facing shortage of sand.
45. Enhancement of the fleet capability : In continuation of the efforts to sustain the existing capacity for which orders were placed for three dredgers meant as replacement of existing aged dredgers, our Company plans to higher hopper capacity trailer suction hopper dredgers. Our Company also plans to refurbish the existing aged dredgers so as to increase their effectiveness and enhance their economic life. Further, with the impetus given to inland waterways by the Government and the consequent necessity and demand for inland dredging, the company has added to its fleet an inland cutter suction dredger which has already joined the fleet.
46. Reducing operational costs : Further, to the capacity enhancement initiatives discussed above, your Company also has taken initiatives to reduce operational costs by focusing on fuel efficiency in ship operations and ship procurement and further streamlining the spare parts procurement systems. Your Company also proposes to have tie-ups with ship repair yards for continued maintenance of our vessels for a period of time so as to make available the dredgers for a guaranteed minimum number of days every year. In this direction a long term MOU was signed with Cochin Shipyard Limited. The company has already tied with another PSU – BEML for indigenisation of select spare parts
47. Strategic alliances through long term contracts with major ports: - The Company is exploring to have strategic alliances with major ports. This will ensure assured business for the Company and enable the Company to plan in advance regarding the deployment of the vessels. The Company is also exploring to act as nodal agency to meet all dredging requirements for major ports in the country.
48. Optimize capacity utilization : - The Company intends to continue to optimize its capacity utilization by continuous project monitoring and review, reducing equipment downtime through preventive maintenance and working with repair yards to accelerate dry dock repair periods, and increasing computerization, including introducing online connectivity between dredgers, projects and the head office. The Company also intends to continue to invest in quality pre-dredging surveys and equipment and continue to invest in repairs and maintenance. Through a renewed focus on training, your Company intends to introduce specific project planning and management initiatives to educate its staff to identify and develop new market opportunities. The Company believes in the introduction of best

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT....**

practices in procurement, costing and working capital management, along with the introduction of tailored human resources practices, participatory management and new technologies, which will create new competencies in its organization and add value for its dredging customers.

**THREATS**

- 49. The Company perceives the following threats
  - i Increasing foreign competition.
  - ii Increasing competition from Indian dredging companies.
  - iii Frequent and expensive repairs to dredgers due to ageing.

The increased competition has in a way helped the company to tighten up and become more competitive. The company has taken steps in this regard by appointing a consultant to benchmark different parameters -both technical and operational against the best in the world as well take corrective steps to match the same.

**FOREIGN EXCHANGE RISKS AND CONCERNS**

- 50. The foreign exchange variations may cause a dent in the cash flows apart from effecting the results of the Company due the debt service obligations in foreign exchange.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

- 51. The Company has reasonable system of delegation at proper levels and an adequate system of internal control commensurate with its size and nature of its business. The Company has an adequate and independent internal audit department for conducting extensive audit of various important operational and financial matters. The internal audit work at Head Office and some of the projects has been outsourced to Chartered Accountant firms. The internal controls are reviewed by the Internal Audit Department. The Vigilance Department deals with vigilance and disciplinary cases with emphasis on preventive vigilance. C&AG conducts proprietary audit. The Company has constituted an Audit Committee and significant audit observations and follow up action thereon are reported to the Audit Committee. The proceedings of the Audit Committee meetings and also other Sub-Committee meeting of Directors are submitted to the Board.

**INDUSTRIAL RELATIONS**

- 52. The industrial relations in the Corporation continued to be cordial throughout the year 2017-18. The Unions representing the Non-Executives and Crew & Petty Officer of Dredging Corporation of India Limited were on one day strike on 11/4/17 and a three day strike from 20/12/17 to 22/12/17 in protest against the proposed of strategic sale by GOI of its holding in the Company in which some of the executive employees also supported by taking leave. Further, the employees also participated in relay hunger strike. However there was no disruption of any nature of the day to day working of the Company

**CORPORATE SOCIAL RESPONSIBILITY**

- 53. The Board of Directors of the Company have formulated the Corporate Social Responsibility Policy for the Company and also constituted a Sub-Committee of Directors for implementation of the same. The report of the Corporate Social Responsibilities activities of the Company is attached to the Director's Report.

**CAUTIONARY STATEMENT**

- 54. Statements in this "Management Discussion and Analysis" describing the objectives, expectations, assumptions or predictions of the Company may be forward-looking statements within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the operations of the Company include economic conditions affecting demand/supply, price conditions in the domestic and international markets, Government policies and regulations, statutes and other incidental factors.

## INDEPENDENT AUDITORS' REPORT

To  
The Members of  
**DREDGING CORPORATION OF INDIA LIMITED**

### Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including other comprehensive income), statement of cash flows and statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "Standalone Ind AS financial statements").

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS of the financial position of the Company as at March 31, 2018, its financial performance including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

### Emphasis of Matters:

We draw attention to the following matters in the Notes to the financial statements. Our opinion is not qualified in respect of this matter.

- a) Trade Receivables includes, ₹11,433.18 lakhs receivable from M/s Sethusamudram Corporation Ltd (SCL) which is pending for more than 4 years. Out of the above, Company has provided for doubtful debts to the extent of ₹3019.27 lakhs. The company is of the view that this will be reimbursed by GOI (at whose behest the contract with SCL was entered) to DCI to compensate the actual expenditure incurred on this project. In view of this, a provision for doubtful debts is not made in respect of receivables in this regard amounting to ₹8413.91 lakhs.
- b) The balances of sundry debtors, creditors, loans and advances, other receivable and other payables being subject to confirmation and reconciliation resulting in the balances as per books of account not verified by us.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the *Annexure A*, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with relevant rule issued thereunder.
  - e) On the basis of written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "*Annexure B*"; and

**INDEPENDENT AUDITORS' REPORT.....**

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 27 the standalone Ind AS financial statements.
  - ii. The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
  - iii. There are no delays in transferring amounts, required to be transferred to the Investor Education and Protection fund by the company during the year and

**INDEPENDENT AUDITORS' REPORT.....****Annexure- B to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DREDGING CORPORATION OF INDIA LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**CAG REPORT**

---

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143 (6) (B) OF THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF DREDGING CORPORATION OF INDIA LIMITED, VISAKHAPATNAM FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2018**

The preparation of financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended on 31<sup>st</sup> March 2018 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of Act is responsible for expressing opinion on these financial statements under Section 143 of the Act based on the independent audit in accordance with the standards on Auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated 28<sup>th</sup> May 2018.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 143(6)(a) of the Act of the financial statements of Dredging Corporation of India Limited, Visakhapatnam for the year ended 31<sup>st</sup> March 2018. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge, which would give rise to any comment upon or supplement to Statutory Auditor's report.

**Notes:**

- As per the requirement of Schedule II to the Companies Act, 2013, where cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part shall be determined separately for depreciation purpose. After careful examination, the company is of the view that none of the component part of the fixed asset is considered to be significant as compared to total cost of the asset except Dry Dock expenses incurred for dredgers which are less than 25 years in usage. Consequently, other than for Dry Dock expenses, the charging of depreciation for component parts was not required. Dry Dock expenses are capitalized to the respective dredger and depreciated over a period of 2.5 years from the date of capitalization based on management evaluation.
- Capital-Work in progress includes advances paid to CPWD ₹1925.92 lakhs.
- During the year, Dredger-VII and IX were sold and profit on sale of condemned assets has been accounted ₹882.92 lakhs under other income.

**10. ACCOUNTING POLICIES:**

**1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

**1.1 Statement of Compliance:**

These financial statements comply in all material respects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, provisions of the Act to the extent notified and guidelines issued by the Securities and Exchange Board of India ("SEBI").

**1.2 Basis of Measurement:**

The Financial Statements have been prepared under the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the entity takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**NOTES....****(All amounts in ₹lakhs, except share data and unless otherwise stated)****2. ACCOUNTING ESTIMATES:**

The preparation of the financial statements in conformity with IndAS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**3. OPERATIONAL INCOME:****REVENUE RECOGNITION:**

- a) Revenue is measured at the fair value of the consideration received or receivable and is reduced for allowances wherever applicable as per the contract.
- b) Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract. The stage of completion of the contract is determined based on internal assessment/survey.
- c) Claims preferred on customers for works/items not contemplated are considered as income on their acceptance.

**4. OTHER INCOME:**

- a) Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the entity and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- b) Interest on Tax refunds are accounted on receipt basis.

**5. OPERATIONAL EXPENSES:**

- a) All operational expenses are charged to revenue under accrual basis.
- b) Insurance: Final adjustments to insurance premium paid are considered in accounts on the basis of demands received.
- c) Insurance:
  - i. Expenses on account of general average claims/damages to ships are written off in the year in which they are incurred.
  - ii. In respect of hull and machinery insurance claims, the claim is accounted as claims recoverable from underwriters on submission of average adjuster report to the underwriter under operational income. Necessary adjustments are made to the claims recoverable account as and when the actual claims are received from the underwriters. In respect of other claims, the same are accounted for on realization /settlement of the same by the underwriters and is accounted under operational income.

**6. DEPRECIATION:**

- a) Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.
- b) Freehold land is not depreciated.
- c) Dry Dock Expenses:
  - i. Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is completed is charged to the statement of Profit and Loss.
  - ii. Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is not completed is capitalized to property plant and Equipment and depreciated as a separate component over its estimated useful life of 2.5 years.
- d) The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method as per the useful life prescribed in schedule II of the Companies Act, 2013 except for the following categories of assets in which case the estimated useful life has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support.

**Type of Asset****Estimated Useful Life**

Building on lease hold land

Cost of building construction on leasehold land amortized over the lease period or useful life of the building Whichever is lower.

- e) An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.
- f) Items of Fixed Assets whose cost does not exceed ₹ 5,000/- (Rupees five thousand) are capitalized and depreciated 100% during the year.

**7. PROPERTY, PLANT & EQUIPMENT:**

- a. Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Entity's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

**NOTES....**

**(All amounts in ₹lakhs, except share data and unless otherwise stated)**

- b. Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.
- c. Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss.
- d. Dry Dock Expenses: Dry Dock Expenses incurred on Dredgers where estimated useful life of 25 years is not completed is capitalized to property plant and Equipment.
- e. Items of Fixed Assets whose cost does not exceed ₹5,000/- (Rupees five thousand) are capitalized and depreciated 100% during the year.
- f. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on systematic and rational basis over the useful lives of the related assets.

**8. BORROWING COSTS:**

- a) As per the transitional provisions given in the notification issued by the Ministry of Corporate Affairs, Government of India dated 31<sup>st</sup> Mar, 2009 read with the notification dated 9<sup>th</sup> August, 2012, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items.
- b) Borrowing costs attributable to acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset, till the time the asset is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

**9. FOREIGN CURRENCY TRANSACTIONS:**

- a) Transactions in foreign currency are recorded at exchange rates prevailing at the dates of the transactions. As per the notification issued by the Ministry of Corporate Affairs dated 31<sup>st</sup> Mar, 2009, the Company has opted for adjusting the exchange difference on the long term foreign currency monetary items to the cost of the assets acquired out of these foreign currency items. The Company has accordingly aligned its accounting policy based on the above notification. Exchange differences arising out of fluctuation in exchange rates on settlement/restatement at the period end are accounted based on the nature of transaction as under:
  - (i) Short term foreign currency monetary assets and liabilities recognized in the profit and loss account.
  - (ii) Long term foreign currency monetary liabilities used for acquisition of fixed assets: adjusted to the cost of the fixed assets and amortized over the remaining useful life of the asset.

**10. INVENTORIES:**

- a. Stock of spares and stores is valued at lower of weighted average cost and net realizable value.
- b. Spares are accounted for as per respective delivery/ shipment terms as material-in transit/ stock accounts, valued as per (a) above and are charged to revenue as and when consumed.
- c. Stores and lubricants delivered to crafts during the year are charged to revenue.

**11. FINANCIAL INSTRUMENTS:**

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

**11.1 Initial Recognition:**

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

**12. EMPLOYEE BENEFITS:**

- (a) All short-term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.
- (B) Employee benefits under defined contribution plans comprising of Provident fund, post-retirement medical benefits (wef 01.01.2007) and pension contribution are recognized based on the undiscounted amount of obligations of the company to contribute to the plan.
- (C) Employee benefits under defined benefit plans comprising of gratuity, leave salary benefits are recognized based on the present value of defined benefit obligation which is computed on the basis of actuarial valuation using the projected unit credit method. Actuarial liability in excess of respective plan assets is recognized during the year. Actuarial gains and losses are recognized in the statement of Profit & Loss during the period in which they occur.
- (D) For defined retirement gratuity benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur.
- (E) Provision for Gratuity, Provident fund, Post-retirement Medical and Pension benefits is funded with separate Trusts formed for the purpose.

**13. PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS:**

- a) Provisions are recognized when the entity has a present obligation (legal or constructive) as a result of a past event, it is probable that the Entity will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration

**NOTES....**

(All amounts in ₹lakhs, except share data and unless otherwise stated)

required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

b) Contingent Assets and Contingent liabilities are disclosed by way of notes.
