

### **DCI celebrates 45<sup>th</sup> Formation Day at its Head Office, Visakhapatnam on 29.03.2021**

Visakhapatnam, March 29: Dredging Corporation of India Limited celebrated 45th Foundation Day at its Head Office at Visakhapatnam today. The premier Dredging Company of the Nation was incorporated on this day 45 years back and since then it has been consistently catering to the dredging requirements of the major and minors ports across the country and abroad.

On this occasion, in his message to the employees of DCIL, Shri Mansukh Mandaviya the Hon'ble Minister of State for Ports, Shipping and Waterways expressed confidence that DCIL will soon emerge as a global giant in the field of green and sustainable dredging for Atma Nirbhar Bharat.

The celebrations were led by the MD and CEO, Prof Dr. G.Y.V Victor and attended by the employees and their families. Speaking on the occasion Prof Victor outlined the journey of DCI through the years and recollected the invaluable contributions made by its past Chairman and all other employees in this stupendous journey spanning four decades. He reposed his complete faith in the rich talent and high ethical standards of Team-DCI and expressed his confidence that DCIL will restore its self-reliance and glory sooner than later. The celebrations which coincided with Holi was marked by colourful programs organised by little children of the employees of DCIL.

Capt K.M Choudhary gave a presentation on journey of DCI and other senior officers attended the celebrations.
