The Policy is valid during the Period of Insurance stated in the Schedule attached to the Policy. It is usually valid for a period of one year from the date of beginning of insurance.

**23. CAN THE POLICY BE RENEWED WHEN THE PRESENT POLICY EXPIRES?**

Yes. You can and to get all Continuity benefits under the Policy, you should renew the Policy **before** the expiry of the present policy. For instance, if Your Policy commences from 2nd October, 2011 date of expiry is usually on 1st October, 2012. You should renew Your Policy by paying the Renewal Premium on or before 1st October 2012.

In case of revision or modification or withdrawal of the Policy a notice will be provided to Insured Person, 90 days before such revision or modification or withdrawal.

You can choose to migrate to any of our existing Policy, subject to Regulations of IRDA (Protection of Policyholders' Interest) Regulations, 2002 and the Guidelines of IRDA on Portability of Health Insurance Policies, as amended from time to time.

**24. WHAT IS CONTINUITY BENEFIT?**

There are certain treatments which are payable only after the Insured Person is continuously covered for a specified period. For example, Cataract is covered only after twenty four months of Continuous Coverage. If an Insured took a Policy in October, 2008, does not renew it on time and takes a Policy only in December 2009, and renewed it on time in December 2010, any claim for Cataract would not become payable, because the Insured Person was not continuously covered for twenty four months. If, he had renewed the Policy in time in October 2009 and then in October 2010, then he would have been continuously covered for twenty four months and therefore his claim for Cataract in the Policy beginning from October 2010 would be payable. For other benefits under the Policy such as cost of health checkup, Continuous Coverage is necessary. Therefore, you should always ensure that you pay your renewal Premium before Your Policy expires.

**25. IS THERE ANY GRACE PERIOD FOR RENEWAL OF THE POLICY?**

Yes. If Your Policy is renewed within thirty days of the expiry of the previous Policy, then the Continuity Benefits would not be affected. But even if You renew Your Policy within thirty days of expiry of previous Policy, any Illness contracted or Injury sustained or Hospitalisation commencing during the break in insurance is not covered. Therefore it is in your own interest to see that you renew the Policy before it expires.

## **26. CAN THE SUM INSURED BE INCREASED AT THE TIME OF RENEWAL?**

Yes. You may seek enhancement of Sum Insured in writing before payment of premium for renewal, which may be granted at Our discretion. Before granting such request for enhancement of Sum Insured, We have the right to have You examined by a Medical Practitioner authorized by Us or the TPA (50% of Medical examination cost will be reimbursed to the Insured Person). Our consent for enhancement of Sum Insured is dependent on the recommendation of the Medical Practitioner.

Enhancement of Sum Insured shall be allowed based on the following table:

Age≤50 years	Enhancement up to Sum Insured of 15 lakhs without Medical Examination.
Age 51-60 Years	Enhancement by two slabs without Medical Examination
Age 61-65 Years	Enhancement by one slab with Medical Examination

## **27. IS THERE AN AGE LIMIT UPTO WHICH THE POLICY WOULD BE RENEWED?**

No. Your Policy can be renewed, as long as you pay the Renewal Premium before the date of expiry of the Policy. There is an age limit for taking a fresh Policy, but there is no age limit for renewal.

Children between 18 years to 25 years can be continue to be covered in the Policy provided they are financially dependent on the parents and one or both parents are covered simultaneously. On attaining the age of 18 years or ceasing to be financially dependent on the parents, they can, on renewal take a separate Policy. In such an event the benefits on Continuous Coverage can be ported to the new Policy. The upper age limit will not apply to a mentally challenged children and an unmarried dependent daughter(s).

If you do not renew Your Policy before the date of expiry or within thirty days of the date of expiry, the Policy may not be renewed, and only a fresh Policy could be issued, subject to our underwriting rules. In such cases, it is possible that a fresh Policy could not be issued by us. It is therefore in your interest to ensure that Your Policy is renewed before expiry.

### **28. CAN THE INSURANCE COMPANY REFUSE TO RENEW THE POLICY?**

We may refuse to renew the Policy only on rare occasions such as fraud, misrepresentation or non-disclosure of material facts or non-cooperation being committed by You or any one acting on Your behalf in obtaining insurance or subsequently in relation thereto. If we discontinue selling this Policy, it might not be possible to renew this Policy on the same terms and conditions. In such a case you shall, however, have the option for renewal under any similar Policy being issued by the Company, provided the benefits payable shall be subject to the terms contained in such other Policy.

### **29. CAN I MAKE A CLAIM IMMEDIATELY AFTER TAKING A POLICY?**

Claims for Illnesses cannot be made during the first thirty days of a fresh Insurance policy. However, claims for Hospitalisation due to accidents occurring even during the first thirty days are payable. There are certain treatments where the waiting period is two years or four years.

### **30. WHAT IS THIRD PARTY ADMINISTRATOR (TPA)?**

Third Party Administrator (TPA) is a service provider to facilitate service to you for providing Cashless facility for all Hospitalisation that come under the scope of the policy. The TPA also settles reimbursement claims within the scope of the Policy.

### **31. WHAT IS CASHLESS HOSPITALISATION?**

Cashless Hospitalisation is service provided by the TPA on Our behalf whereby you are not required to settle the Hospitalisation expenses at the time of discharge from Hospital. The settlement is done directly by the TPA on Our behalf. However those expenses which are not admissible under the Policy would not be paid and you would have to pay such inadmissible expenses to the Hospital. Cashless facility is available only in Networked Hospitals. Prior approval is required from the TPA before the patient is admitted into the Networked Hospital. You may visit our Website at <http://newindia.co.in/listofhospitals.aspx>. The list of Networked Hospitals can also be obtained from the TPA or from their website. You will have full freedom to choose the hospitals from the Networked Hospitals and avail Cashless facility on production of proof of Insurance and Your identity, subject to the claim being admissible. The TPA might not agree to provide Cashless facility at a Hospital which is not a Network Hospital. In such cases you may avail treatment at any Hospital of Your choice and seek reimbursement of the claim subject to the terms and conditions of the Policy. In cases where the admissibility of the claim could not be determined with the available documents, even if the treatment is at a Network Hospital, the TPA may refuse to provide Cashless facility. Such refusal may not necessarily mean denial of the claim.
