Sub: Shipping Minister addresses employees of DCIL -Reg

Shri.Mansukh Mandaviya, Hon'ble Minister of State for Shipping (Independent Charge), Chemical & Fertilizers, Government Of India visited the head office of Dredging Corporation of India.He was welcomed by Shri P.Ram Mohan Rao, IAS,Chairman Visakhapatnam Port Trust, Shri Rinkesh Roy, IRTS,Chairman Paradip Port Trust & DCIL and Shri Rajesh Tripathi, IRSE, Managing Director, DCIL. The Hon'ble Minister interacted with the top officials of DCIL regarding operational details . Addressing the employees , the Hon'ble Minister stated that the employees of DCIL should consider themselves as part of larger family which can sustain only when all the members work with total commitment towards its progress and stability. He advised the employees to come out of their comfort zones, work with team spirit and translate efforts into output. He appealed to the employees to churn out newer ideas through brain storming and channelize their efforts towards sustenance and progress of the Organization. Speaking on the occasion , Shri P.Ram Mohan Rao appealed to the employees to work with complete devotion and focus on cost reduction to take the company to higher levels of excellence. Shri Rinkesh Roy stressed on importance of providing low cost dredging solutions to all the major ports. Shri Rajesh Tripathi highlighted the need for opening of newer verticals like Marine Construction , Sand Mining , Project Management Consultancy and Project Abroad in addition to the existing dredging verticals in order to increase revenue and profit of the Company. He also referred to the potential scope in river dredging where DCIL can render technical support and newer areas like Deep Sea Mining, Deep Seas Dredging , Deep Sea Fishing Mechanism , Reservoir Cleaning, River Cleaning, desilting of Hydel Power Projects,etc which hold ample potential for future diversification of the Corporation.
