### **“DCIL organises sapling plantation drive at its Head Office**

Dredging Corporation of India Limited organised sapling plantation drive today at its Head Office premises as a part of fortnight long Swachhata Pakhwada. On this occasion saplings were planted by Shri.Rajesh Tripathi, IRSE, Managing Director and all HODs in an around the Head Office premises to increase the greenery and natural ambience.

Speaking on the occasion, Shri. Tripathi has expressed his happiness on the last one week's activities carried out by DCI at various colleges and schools like, Visakaha Government Degree College for Women, St.Peter's High School, Sacred Heart High School and CBM High School to increase awareness about cleanliness and restriction of plastic use amongst the student community. He advised to organise rallies and more awareness programmes mainly targeting the student community who are the future of our country .
